Consultations, Initial examinations	Price with Insurance coverage	Self-payer/without insurance coverage
Consultation for a couple in a foreign language (30 min)	€ 90	€ 90
Preconception health care - woman (hormonal profile, STD, phone consultation)	€ 39	€ 89
Preconception health care - man (spermiogram, STD, phone consultation)	€ 39	€ 89
IVF Treatment	Insurance	Self-payer/without insurance
IVF - collection of oocytes with embryo transfer (treatment plan, protocol preparation, monitoring, oocyte retrieval, embryotransfer)	€ 0	€ 1 100
IVF - collection of oocytes without embryo transfer	€ 0	€ 800
STOP cycle – collection of oocytes when no oocytes were retrieved	€ 0	€ 350
STOP cycle – treatment cancelled before the egg collection	€ 0	€ 150
IVF SOFT/NATIVE - collection of oocytes with embryo transfer (treatment plan, protocol preparation, monitoring, oocyte retrieval, embryotransfer)	€ 0	€ 880
STOP cycle SOFT/NATIVE – before embryo transfer	€ 0	€ 650
STOP cycle SOFT/NATIVE – collection of oocytes when no oocytes were retrieved	€ 0	€ 350
STOP cycle SOFT/NATIVE – treatment cancelled before the egg collection	€ 0	€ 150
Social freezing (stimulation, oocyte retrieval, freezing, storage per 1 year)	€ 1 300	€ 1 300
IVF cycle with embryotransfer (defrosting of oocytes, ICSI, extended cultivation of embryos, monitoring, embryotransfer)	€ 990	€ 990
Intrauterine insemination (IUI)	€ 150	€ 150
IVF cycle using donated oocytes –with guarantee of 2 blastocysts in case of meeting the minimum requirements for quality of sperm (treatment plan, spermiogram, donated oocytes, ICSI, extended cultivation, embryotransfer)	€ 2 990	€ 3 990
IVF cycle with transfer of donated embryo	€ 1 050	€ 1 050
STOP cycle D-IVF - treatment cancelled before the egg collection	€ 200	€ 200
Reservation and storage of donated embryo per 1 year	€ 120	€ 120
Donated sperm including chlamydia examination	€ 220	€ 220
Frozen embryo transfer (FET)	€ 300	€ 300
Administrative support of transported genetic material to/from abroad	€ 210	€ 210
Transfer of transported embryo from abroad (FET and storage of embryo per 1 year)	€ 600	€ 600
Transport of cells and embryos – Slovakia from 30 km up to 250 km	€ 100	€ 100
Transport of cells and embryos – Slovakia over 250 km	€ 200	€ 200
Laboratory procedures	Insurance	Self-payer/without insurance
Intracytoplasmic sperm injection -ICSI SOFT/ NATIVE (all oocytes)	€ 200	€ 200
Intracytoplasmic sperm injection -ICSI IVF (all oocytes)	€ 420	€ 420
Extended cultivation of embryos	€ 200	€ 200
Assisted zona hatching	€ 160	€ 160
EmbryoGlue	€ 120	€ 120
Time-lapse -continuous embryo monitoring during cultivation	€ 250	€ 250
MFSS- Microfluidic sperm sorting chips	€ 280	€ 280
MACS sperm separation	€ 280	€ 280
ICSI oocyte activator	€ 100	€ 100
Activator of immotile sperm	€ 100	€ 100
Transfer catheter - special	€ 20	€ 20
Dual lumen sampling needle	€ 69	€ 69
Urologic microsurgery (MESA, TESE)	€ 1 190	€ 1 190
Electroejaculation	€ 590	€ 590
Spermiogram (SPG)	€ 30	€ 30
Examination of DNA fragmentation in sperm (including spermiogram)	€ 150	€ 150
SpermPack – complex examination of sperm (spermiogram, antibodies of sperm in the ejaculate, DNA fragmentation, oxisperm, vitality test)	€ 220	€ 220
Freezing, defrosting and storage of genetic material	Insurance	Self-payer/without insurance
Embryo and oocytes freezing and storage (freezing + 2 straws + storage for 1 year)	€ 280	€ 280
Additional 1 straw (oocytes, embryos)	€ 40	€ 40
Sperm freezing and storage (freezing + 2 straws + storage for 1 year)	€ 150	€ 150
Additional 1 straw (sperm)	€ 20	€ 20
Storage prolongation for 1 year	€ 120	€ 120
Defrosting of oocytes	€ 250	€ 250
Embryo re-freezing after FET	€ 110	€ 110

<b>Genetics</b>	<b>Insurance</b>	<b>Self-payer/without insurance</b>
Genetics consultation	€ 40	€ 40
Embryo biopsy	€ 250	€ 250
PGT-A/ PGT-SR - Preimplantation genetic testing of aneuploidy/ chromosomal abnormalities - 1 embryo	€ 390	€ 390
PGT-M – Preimplantation genetic testing of monogenic diseases and translocations -Preparation	€ 1 300	€ 1 300
PGT-M - Preimplantation genetic testing of monogenic diseases and translocations –1 embryo	€ 390	€ 390
PCR amplification DNA (1 embryo)	€ 45	€ 45
Trophoblastic disease testing with abortion (FISH)	€ 220	€ 220
FISH examination of chromosomes in sperm	€ 300	€ 300
Determination of polymorphisms in the FSH receptor gene	€ 180	€ 180
Prenascan	€ 480	€ 480
Cytogenetic examination - karyotype	€ 150	€ 150
<b>Additional outpatient services</b>	<b>Insurance</b>	<b>Self-payer/without insurance</b>
Endometrial biopsy for immunohistochemical analysis (NK cells, CD 138)	€ 200	€ 200
Intrauterine PRP administration	€ 300	€ 300
Ratiograstim administration	€ 22	€ 22
Administration of infusion (without providing the pharmaceuticals – intralipid)	€ 30	€ 30
Endocrinological examination	€ 80	€ 80
Folliculometry	€ 30	€ 30
Complete internal preoperative examination, EKG, subscriptions, internist consultation in slovak language	€ 40	€ 140
Complete internal preoperative examination, EKG, subscriptions, internist consultation in foreign language	€ 60	€ 160
Endometrial Receptivity Array (ERA test)	€ 850	€ 850
Endometrial Receptivity Array (ERA + EMMA + ALICE test)	€ 1 200	€ 1 200
Consultation with Psychologist	€ 40	€ 40
Extract from medical records	€ 20	€ 20
<b>Additional therapy</b>	<b>Insurance</b>	<b>Self-payer/without insurance</b>
Inofolic 20 Tbl.	€ 17,50	€ 17,50
Inofolic 60 Tbl.	€ 39	€ 39
Inofolic COMBI 60 Tbl.	€ 41	€ 41
Folandrol 30 Tbl.	€ 21	€ 21
Syrel 30 Tbl.	€ 10	€ 10

\* If a patient undergoes 3 unsuccessful IVF+ET cycles at ISCARE, a.s., patient will get a discount of 50% on the 4th IVF cycle.

\* Oncological patients have discount of 50% for freezing and storage of genetic material. Spermogram is free of charge for oncological patients.

\* Price list valid from October 21<sup>st</sup>, 2021
